- Public accounting
- Government accounting

Subjects involved in the course of Bachelor of Commerce are as follows:

- Accounting
- Cost Accountancy
- Economics
- Finance
- Information Science
- International Business
- Management
- Human Resource
- Law
- Marketing Management

The major differences between B.Com and BBA degree are the Following

B.COM	BBA
Commerce related subjects (accountancy, business studies, economics etc) are studied in great detail	Commerce based subjects are studied at a superficial level along with other subjects like HR, marketing, finance, operations etc in detail
A theory oriented subject, usually for “book-lovers”	A practical oriented subject, usually for “people’s persons”
Opens up scope for most of the commerce related careers	Greater scope for skill based careers
